W.P. No.2307 of 1998

The petitioners have prayed for a writ of mandamus to direct the respondents to continue them as Instructors or as Supervisors, as the case may be, in the Project of Non-formal Education of Ramannapet Project in Nalgonda District. The writ petitioners rested their case upon the fact that they had been continuously rendering service in this Non-formal Education Project for long spells.

The learned Government Pleader for School Education had brought to my notice that the scheme of Non-formal Education has been disbanded long back and no such Project is being continued at all now.

In view of this statement, the relief sought for by the writ petitioners to continue them in the Project is incapable of being ordered. However, if any Scheme of similar nature is sought to be put in place, the experience of the writ petitioners may be taken into consideration and account while considering any employment in such Schemes along with others. It is open to the respondents to take appropriate measures considered suitable keeping in view the requirement of the Projects or the Schemes, which are likely to be put in place.

With this, the writ petition stands disposed of. No costs.
